**MINISTER'S  
FOREWORD**

I am pleased to provide this foreword to the second Strategic Plan adopted by the Victorian Aboriginal Heritage Council. This plan builds on the progress made by the Council in its establishment phase and sets clear goals for the next three years.

Protecting Aboriginal cultural heritage is important for all Victorians. We all have a collective responsibility to ensure that this rich cultural heritage is appreciated and enjoyed by future generations. Central to this responsibility is recognising that Aboriginal people are the primary guardians, keepers and knowledge holders of this cultural heritage.

I commend the members of the Council for their achievements and look forward to continuing to strengthen our partnership over the next three years.

**Jeanette Powell**  
Minister for Aboriginal Affairs

**MESSAGE FROM  
CHAIRPERSON**

As members of the Victorian Aboriginal Heritage Council, we are in a unique position in Australia - we are members of the only statutory body with decision making responsibilities whose members are all Traditional Owners.

We make decisions about the management of our cultural heritage and build partnerships with all Victorians to achieve our vision. To me, this is what self determination is all about.

We are proud of what we have done in our first three years. We have developed a plan for the next three years that builds on the solid platform we have put in place.

We will continue to work together as a united Council to fulfil our responsibilities and implement this plan.

Chairperson

## The Victorian Aboriginal Heritage Council (VAHC)

was created under the *Aboriginal Heritage Act 2006* and is the first all Aboriginal Council created under Victorian law.

Its primary function is to advise the Minister for Aboriginal Affairs on the protection and management of Aboriginal cultural heritage in Victoria.

By January 2011, the VAHC had appointed nine registered Aboriginal parties (RAPs) which collectively cover 56% of the state. RAPs are the primary vehicle through which Aboriginal cultural heritage is protected and managed.

The VAHC's priority for 2011–2014 is to strengthen its capacity to ensure that Traditional Owners have the leading voice in Aboriginal cultural heritage.
